

Flash Performance

Asphalt Orchestra Teaser Performance

- Audience: All ages
- Number of participants: Unlimited/wherever people congregate
- Number of Ensemble members: Full Ensemble
- Length: 25 minutes
- Requirements: Group can perform in any space indoors and outdoors. If performing outside, the band cannot perform in inclement weather (rain, lightning, high winds) or in temperatures below 50 degrees Fahrenheit. A bullhorn is also requested for outdoor performances.

A totally mobile, self-contained performance force, Asphalt Orchestra can get out into your community like few other performers. The group can and will hit up the shopping mall, the baseball game, the student center, the diner parking lot....any place imaginable!

Unlike performers that need a hall and an audience to come to them, Asphalt Orchestra can go find your community...and do it in a way that gets them excited about your programming and will leave them hoping for more.

This performance can ideally be tied to a publicity effort that leads up to the evening performance. This event is designed to find new audience members that have never attended a show at your arts center.
